NEWSLETTER NO.125 OF THE ARMANDS BEACH LEISURE GROUP

Hello everyone,

Our strip into spring dinner on the 5th of October saw 25 of us get together at Murrah Hall. Friends from ACT club, those who had been away for a while, and people joining us for the first time made for a great night. Ian's camp oven cooking just gets better and better. An O.B.E (Over Bloody Eighty) certificate was awarded to Wilma, who celebrated her 80th birthday during our hibernation period. It was Ashley's birthday that Saturday. He has already received his O.B.E certificate so we all sang happy birthday and made sure he took home his birthday balloons.

I showed off the towel pouch, beach towels I purchased from our friend Lizzie. I think they are a great idea for keeping your phone, keys, or wallet safe when you're at the beach. They are a quality product. The ones I purchased were an African print, koala print, and elephant print. The towel with the flying penises pouch on it did get everyone's attention. (Lizzie donated her towels as prizes at this years Fun in the Sun day.)

Jim donated one of his beautiful driftwood statues as a lucky draw prize, which was won by Matt from the ACT Club. Congratulations Matt.

We hope you all enjoyed the evening as much as we did and will join us again.

A few of us got together for a BBQ at Ashley's to celebrate Armands Beach 31st Anniversary of being legally clothes optional. This was a BYO meat and salad to share dinner. Jim and Steve manned the

BBQ for us. There were bread rolls, a variety of salads, and dessert. No one left feeling hungry.

The highlight of the evening was watching footage of the Fun In The Sun Day in 2013. That was a time when we were all fit enough to compete in the flag race and run the full course of the fun run. The beach looks the same, but my how we have changed in eleven years. We are still here, so is the Beach, and so are the friendships that were forged on the sand. How lucky are we. A big thank you to Richard, who put the footage together for our enjoyment. We also thank Ashley for being our host.

Due to its popularity, we think we will add it to our calendar of events. We are hoping to organize another date for whale watching. Also, looking into some barefoot bowling next year. Keep an eye out for more information on our website and in our newsletters.

The next Murrah Hall Night is THE ABLG NUDE YEARS EVE BBQ. It is the usual BBQ menu of sausages, chicken kebabs, rissoles and steak and a variety of salads. Tinned fruit, cake, custard and cream for sweets. A cooked breakfast of bacon and eggs is provided the following morning. Tea and coffee is also available. All leftovers are put out on the table after breakfast for picnic lunches to be made. Hopefully it will be good weather for going to the beach.

There is room in the parking area around the hall for cars and a couple of vans and plenty of room in the hall for blow up beds, swags and the like for the people who don't want to worry about drinking and driving.
